

THE COMPETITION COUNCIL AUTHORIZED THE TAKE OVER OF PODNET CONSULTING SRL BY SKLEPY KOMFORT SA

The Competition Council authorized the transaction by which Sklepy Komfort SA from Poland takes over Podnet Consulting SRL from Romania.

Podnet Consulting, based in Oradea, has as a main activity retail trade of fabrics, products and wood and construction materials for interior decorating, activity done through the 21 Proges stores.

Sklepy Komfort SA, part of Solowow group, is specialized in retail trade of renovating houses products, respectively laminate flooring, parquet flooring, carpets, doors, accessories and decorations, carrying out its activity through 148 stores in Poland, as well as through online commerce.

The competition authority analyzed the operation and found that it does not raise significant obstacles for effective competition on the Romanian market or on a substantial part of it, especially by creating or consolidating a dominant position.

The decision will be published on the website of the Competition Council after the confidential information will be removed.
